Itinerary:

Many different itineraries are possible, though we suggest the following:

Split – Hvar – Korcula – Dubrovnik OR Dubrovnik – Korcula – Hvar – Split

Split to Dubrovnik is best if you prefer not to get up early to catch the 6am ferry. The ferries go from Korcula-Hvar at 6am and Hvar-Split at 7.15am in all seasons and from Split-Hvar at 4pm Low season/5pm High season and Hvar-Korcula at 5.10pm Low season /6.15pm High season. Timetable is subject to change, please check prior to your departure.

We can also include the islands of Mljet, Vis or Brac (Bol). The itinerary is very flexible, depending on your tastes and interests!

Local catamaran/ferries or buses are used to island hop and a regular shuttle bus runs between Dubrovnik and Korcula on the days the ferry does not sail. We will organise our local transfer operators to meet you at the wharf or hotel, depending on the location.

Please email us at Reservations@DiscoverCroatia.com.au or phone 1300 660 189 with your travel dates and we'll book your personalised Independent Island Hopper Tour of Croatia.

NOTE: The ferry route Dubrovnik-Korčula (only on Thurs & Sun) and Korčula-Dubrovnik (only on Tues & Sat) only goes twice a week from June to September. If the ferry is not available you can transfer with the regular shared shuttle bus. Private transfers can also be provided on request. Please note that ferry schedules may be subject to change.

*Price is based on June 2012 prices, subject to availability. T&C apply. High season travel incurs a surcharge. Meals are not included. Transfer from Split accommodation to Split wharf not included, as most hotels are in walking distance of the wharf.
